Introduction of FCOM

Effective 09 October 2025, BAV CityFlyer E190 crews are provided with a Flight Crew Operating Manual (FCOM) (Revision 1).

The FCOM outlines how BAV operational procedures are applied to the E190 and describes the type specific:

- Operating limitations,
- Normal procedures, and
- Abnormal and emergency procedures.

Effective with this release, OMN 1/2024 - Normal Checklist and FAN 1/2024 - Take-off Performance and Vital Data Procedure are withdrawn as they have been superseded by the FCOM.
