City of Chambery

View to the south from RWY 18 threshold
Note visible peak reaches 6,400 ft
Terrain reaches 6,700 ft at approx 15 NM south

View from RWY 36 threshold

Ridge of terrain to 3,500 ft
at approx 9 DME

RWY 36 Circling Approach
Flown at 2,200 ft

Established on RWY 18 ILS at 8.9 DME
3,500 ft ridge sits beneath the aircraft

Extended centreline

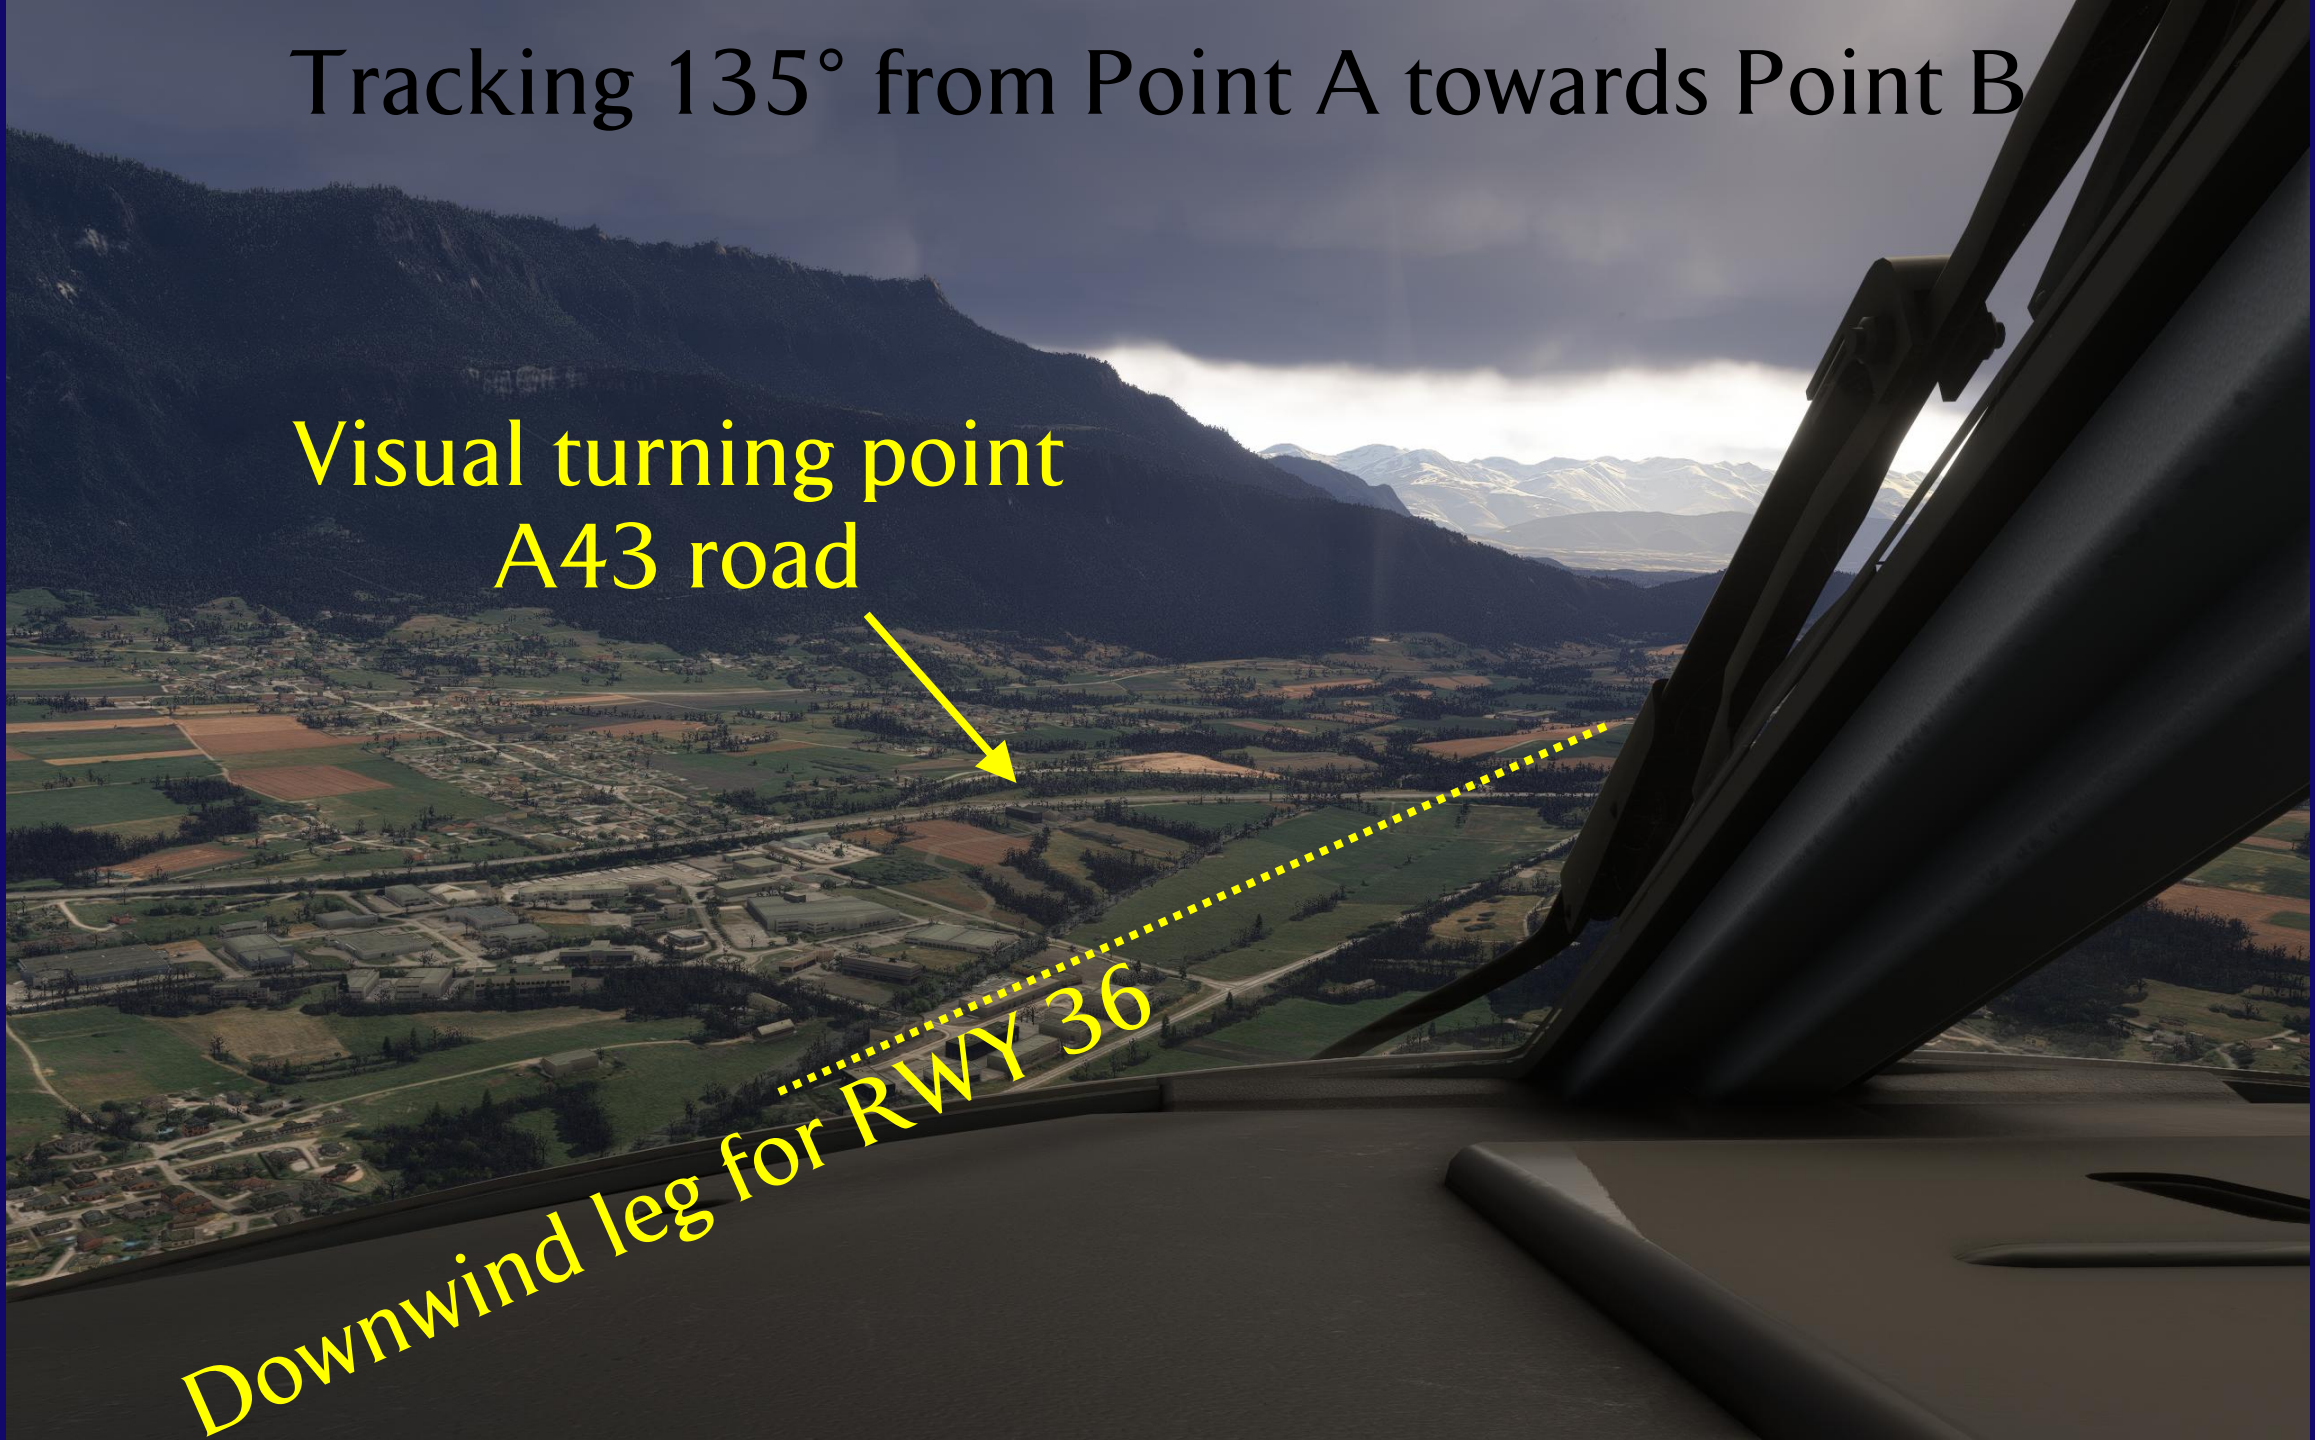

An aerial view from the cockpit of an aircraft, looking out over a valley. The view is framed by the dark interior of the cockpit on the right and bottom. In the center, a wide river flows through a valley, with a yellow dashed line extending from the foreground towards the horizon, representing the extended centerline of RWY 18 ILS. The surrounding landscape is a mix of green fields, forests, and mountains. The sky is overcast with grey clouds. The text 'Established on RWY 18 ILS at 8.9 DME' and '3,500 ft ridge sits beneath the aircraft' is overlaid at the top. The text 'Extended centreline' is overlaid in yellow at the bottom.

Mast

Hospital complex
Do not overfly

Turning base to final facing northwest

Extended centreline

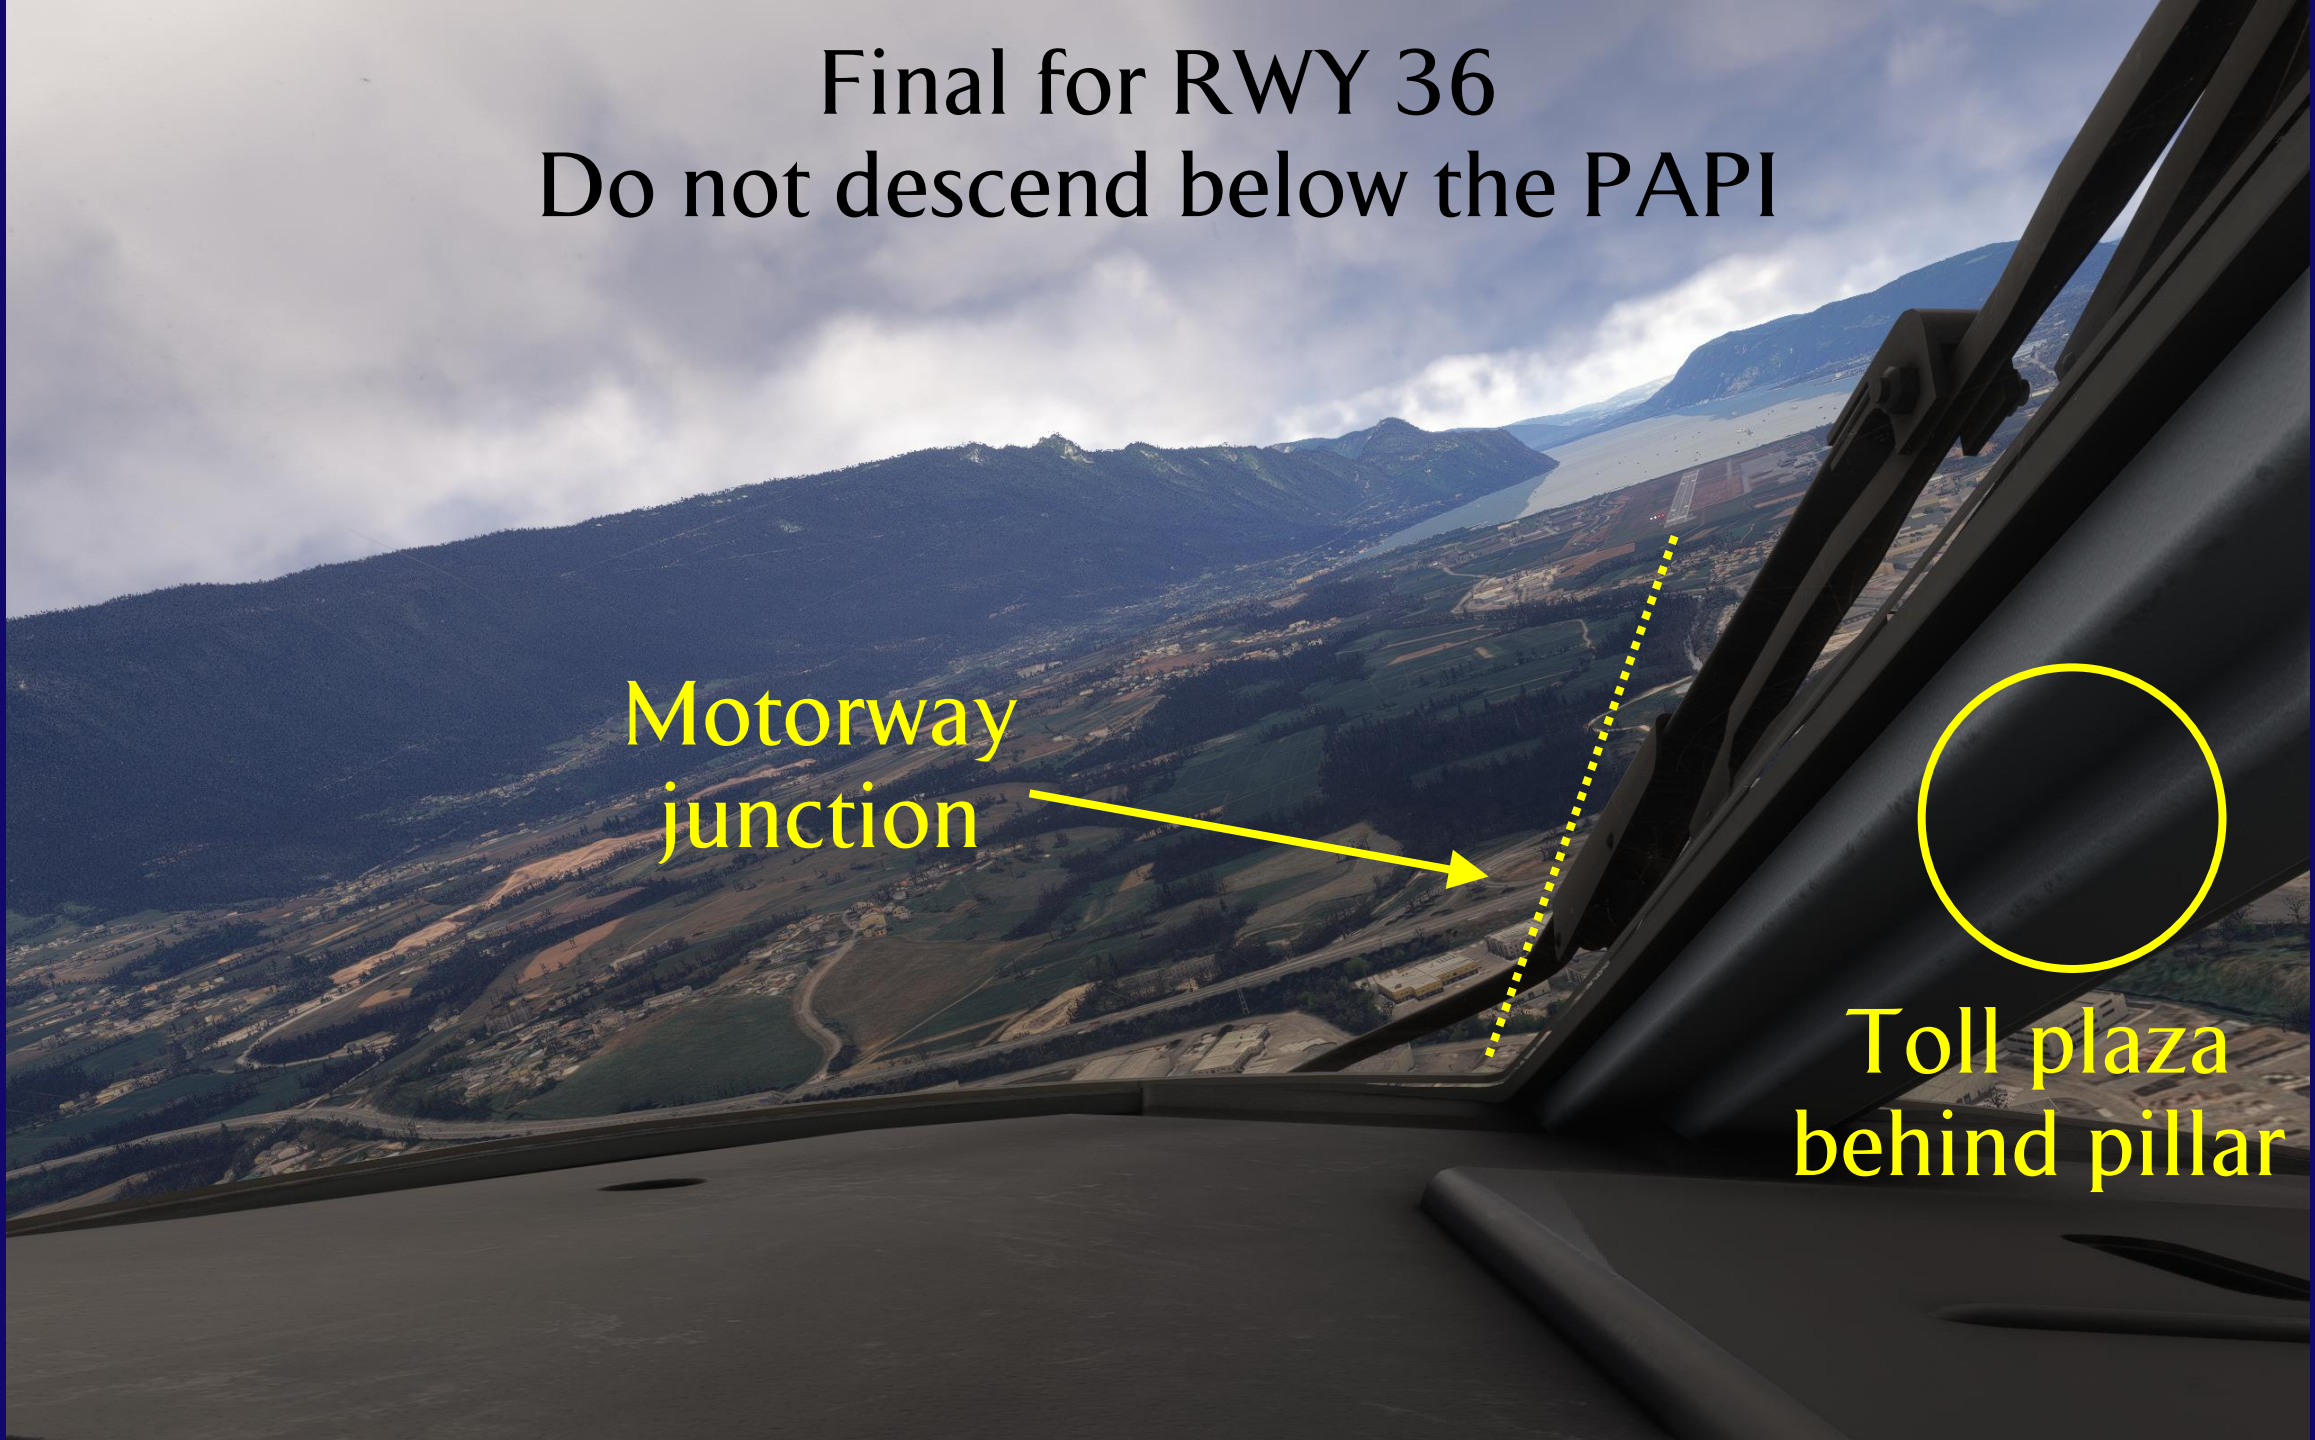

An aerial photograph taken from the perspective of someone inside a vehicle, looking out through the windshield. The road ahead curves to the right. A yellow dotted line, labeled 'Extended centreline', is drawn along the road's path, extending from the foreground into the distance. The landscape below is a valley with a town, fields, and a river. In the background, there are large, forested mountains under a cloudy sky. The vehicle's interior, including the dashboard and part of the steering wheel, is visible in the foreground.
